

ESC BOHINJ – WELCOME PACK

Pre-arrival information for selected European Solidarity Corps volunteers

This welcome pack is for selected volunteers. It explains what happens after selection, what to prepare before travelling, how arrival in Bohinj works, and what support volunteers can expect during the first days. Some individual details, such as exact travel arrangements, room allocation and emergency contacts, are confirmed directly with each volunteer before arrival.

Key information

Item	Information

Activity format	Short-term volunteering, normally 2–8 weeks
Weekly rhythm	Approximately 35–36 hours per week, with two free days per week
Main activity areas	Outdoor youth programme support; hospitality and kitchen learning; centre, campsite and nature care

Welcome

Welcome to ESC Bohinj. You will live, volunteer and learn at Gozdna šola ZTS Bohinj / Forest school Bohinj in Ukanc. The project combines practical volunteering, community life, outdoor youth work, environmental responsibility and personal reflection.

The activity is designed as a learning experience. You will start with orientation and supported tasks, then gradually take on more responsibility according to your interests, abilities, safety requirements and the needs of the programme.

After selection

After you are selected, ZTS will guide you through the next steps. Do not buy final travel tickets before your travel plan has been agreed with ZTS and, where relevant, your supporting organisation.

- Confirm your availability and exact activity dates.
- Confirm your supporting/sending organisation contact, if applicable.
- Share your expected arrival route and preferred travel option.
- Send information that is necessary for safe hosting, such as dietary needs, accessibility needs or emergency contact details.
- Read the basic house rules, safety notes and packing guidance before travelling.
